Opening Remarks from the Baron and Baroness

Pumpkin spice greetings to all Our academically inspired populace!

The brutal gears of war are upon us as we make Our preparations for Bacon Wars in a few weeks (Sept 21). It saddens Us that we have to take up arms against our friends and neighbors, but pork products really are just that important. Her Excellency will be authorizing in rapier that morning and hopes to do Marinus proud on the field against Our foes. We look forward to sharing the day with everyone over a pork roast or two.

As We prepare for battle, the weather is still holding out for Wednesday evening practices at Our home in Norfolk. All are welcome to attend to fight, watch, work on armor, ask questions, or just hang out. There is plenty of parking and plenty of yard.

We have asked for input on award names from the populace to recognize those who have done well at martial arts, service, and the arts & sciences. These are the last few weeks We will have the Facebook Group open and be taking input from everyone before bringing those ideas to next month's Moot. Please feel free to voice your thoughts on the awards, their names, devices, or anything else about recognizing the amazing members of Our barony.

As always, We love to hear from everyone who calls Marinus home with any thoughts, concerns, and/or crazy ideas. Our fun is dependent on everyone's enthusiasm and talents.

We remain yours,
Aradd and Isabel
