**From Their Excellencies, Aradd and Isabel, Baron and Baroness of the Barony of Marinus:**

Glistening greetings to the hottest barony in Atlantia!

It's a countdown to war! Everyone is busily working away on Pennsic projects this month and we are no exception. We plan to be at Pennsic on Friday July 31 through the end of war. After missing last year, we are very much looking forward to seeing friends old and new around the camp fire.

We will be having a very brief court on Wednesday evening of war week. Notes from the evening will be posted on Facebook for those who can't attend in person.

For those not attending this year, enjoy your plumbing and air conditioning! We will certainly be rallying folks upon our return to encourage new members. It will soon be a new school year at the local colleges, which is prime time to find new populace.

Also, if Pennsic is not in your budget/schedule this year, be thinking of the upcoming War of the Wings in October. It will be a busy month between Coronation on the 3rd, War of the Wings on the 17th and Baronial Birthday on the 24th, but it will be jam-packed with fun. Plan ahead so you don't miss out!

As always, if you need anything from us, our home is open and our hearts are ready to listen.

Yours in eternal packing list making,  
Aradd and Isabel

## **A Note from the Chronicler, Herr Gunther von Lindenwald:**

Wow! Where to begin! So much activity, so much drama, so much just simply happening seemingly all at once!

Pennsic! Pennsic is everywhere. It is upon us. Just a mere few days away, this year seems to be full of surprises. Be mindful of the very wet conditions that have plagued the lands. There are swampy areas, low drainage area, and areas that are no longer satisfactory for camping.

Their Majesties have graciously opened their camp to anyone who discovers their camp to be uninhabitable. If this ends up being your fate, and you are interested in camping in Their royal encampment, please seek them out. Truly, such an experience will last a lifetime!

Be mindful of the heat, the rain, as well as the cold! Yes! Pennsic is well known for experience varying extremes of hot and cold as well as sunshine and rain. Bring plenty of whatever medical supplies you may need – not just what you think you need.

And during this hectic planning and packing period, we Marinusians are now experiencing a new polling for Their Majesties to invest as our new baron and baroness!

I know I am not alone in expressing blessings and sincere gratitude to Their Excellencies, Aradd and Isabel, as they depart the thrones of Marinus and explore their own interests.

Which means... Yes, this is that issue! The campaign issue! In this issue you will see where we are in the polling schedule and the Letters of Intent from each of the candidates as they express their intentions and model the platform of their term if invested as the next baronage of Marinus.

These next few months will become extremely exciting! I pray we all remember the fun that is Marinus, and each other, and though drama may run high, we are all still Marinusians and human.

*Herr Gunther von Lindenwald*

## **Baroness Siobhan McKlinchey and Baron MungoeMcKlinchey**

To all that see these words greetings and salutations,

To serve ones community is one of the highest honors and responsibilities that one can take in one's life. You have to put yourself out there as both an example and inspiration to those around you as you try to serve for the common good. As such, I and my wife have decided to try to serve our community, the Barony of Marinus, as the next Baron and Baroness.

Our time within our Barony, and our Kingdom, has gone on for many a year. We have earned awards, traveled to many places, and made many new friends. One thing we have learned from the examples of others within our Society is what we believe is its best quality, to have good times with good friends. Any that know us can attest to that, a circle of people with common goals and willingness to work together has been what we are about. To quietly inspire those around us by examples of good cheer in adversity. To work together towards common goals. To serve those in need. Once a consensus within the Barony has been reached, we have always striven to achieve that which has been sought. This does not mean that we are not passionate about our own ideas, but once the populace has decided on a goal, we back it to the fullest.

We have raised a family in this Barony, and embraced some into our family. We been through some tough times with support from our Barony and have seen what can come about when surrounded by good people. If chosen to serve we would try to return tenfold all the things that those in the Barony of Marinus have done for us over the years. To seek to serve, to lead by example, and never to ask one to do what you are not willing to do yourself.

The two of us have often joked that we have been neutral like Switzerland within the Barony. We have always tried not to take sides within disagreements, unless they are against the common good, and or for selfish reasons. That would be the only reason to cause strife within our friends and fellows, to stop those that seek advantage over another for their own self gain.

If our humble service to our Barony is sought, we hope to see our Barony grow within the very large community that the Barony of Marinus resides in. Marinus is one of the most populace regions within the Dominion of Virginia and would hope to make inroads within the community. This would include a plan for more public demonstrations within the educational system, the large military community, and other venues. In this way we would hope that the circle of good folk within our Barony grows. By our example we would hope to inspire others within our Barony to bethe best that they can. In this way a pool of resources could be grown

so that the Barony we so love could do more for itself, and the Kingdom as a whole. To travel, to meet people throughout the Kingdom, and make the circle of friends grow. The people of the Barony are the Barony's strongest and best resource. One that must be cherished, encouraged, and inspired, so that the Barony becomes stronger and better for all.

My wife and I have mentored many within this group and helped them on their way within the society. Due to the nature of our area many Military people have come and gone into other Kingdoms, hopefully taking with them the ideals of what a member of Marinus, and an Atlantian means. To spread the ideas and values we have learned to other Scadians that they meet in their travels. One of giving more than taking, of watching out for those that have made a place in their heart, and growing the circle of service, friendship and good cheer. If chosen to be the next Baron and Baroness of Marinus we would strive to continue this effort with the knowledge and passion that we have always tried to do.

All the above can be put into one phrase- To serve our Barony, our Kingdom, and our Crown to the best that we are able.

Yours in service

Baroness Siobhan McKlinchey and Baron Mungoe McKlinchey

## Herr Gunther von Lindenwald and Angela of Marinus

By way and means of His Excellency, Jean Claude de Calais, Regional Seneschal of Atlantia, under whose governance includes the Barony of Marinus, unto Their Royal Highnesses, Christoph and Adelhait, Prince and Princess of Atlantia, and unto all great and fair persons to whom may hear or read this **Letter of Intent**, as nominees to the baronage of the Barony of Marinus, does Herr Gunther von Lindenwald and his lady, Angela of Marinus bid greetings this day;

Your Royal Highnesses;

Great is the Kingdom of Atlantia and the vested powers that is the Royalty who governs Her people. As your coronation approaches, with great anticipation do we look forward to your reign!

May this letter serve as a means to present ourselves unto your hearts and minds as we have been nominated by members of the Marinus populace, and have accepted such nomination, to be considered worthy to serve Your Highnesses, and the Kingdom of Atlantia, as the next Baron and Baroness of Marinus. As such, I would like to introduce my lady and myself to you:

**Herr Gunther von Lindenwald** (Timothy D. Carter)

I began with the SCA in 1994, in the neighboring Barony of Tir-Y-Don making friends on both sides of the water that divides the two baronies, Tir-Y-Don and Marinus. I have made great friends who have guided my ways and learning, and to whose counsel I hold dear. These gentles include His Excellency Jean Claude de Calais, Dame Hrothny, Mistress Tannis, Their Excellencies, Sir William and Sara Beth, and Sir Otto.

In my years working and developing with both baronies I have had the honors and privileges of operating and providing many roles and services to include: Rapier Marshalling, Rapier Teaching, and Fighting, Music, Dance, Cooking, Autocratting, being a Head Feast Cook, Teaching A&S, was the first web minister for both Tir-Y-Don and Marinus when the Internet was new, and of creating a places welcoming for lost newcomers to aid them in finding their niches in the SCA.

In my time and service I have been inducted into the Order of the Swan and Cygnet (Tir-Y-Don service award) and awarded the Oaken Oar (Marinus service award). I have earned my Master's Degree from the Atlantian University which included several approaches in teaching the brewing arts, for which I have garnered some reputation.

For many, many years I found great pride in my service assisting the barony in its many endeavors at events, demos, and all other forms of advancing our Baronial presence. Yet my greatest pride and sense of reward come when I have been able to support individuals in whatever capacity of assistance I can offer and finding ways to help them where no one else had thought to look.

My modern background is currently a disabled veteran (Army) and also a retired college professor (12 years at Centura College, 2 years of High School instruction). I thoroughly enjoy working with others to create an all-inclusive, welcoming environment where everyone may find a niche that is comforting and supportive to their needs.

#### **Angela of Marinus** (Angela M. Hayes)

Angela has over 5 years of experience in the SCA all within the Barony of Marinus. She has been content working behind the scenes, most notably in the kitchens and feast halls helping prepare scrumptious meals, setting the halls, or scrubbing the mountains of dishes. Her service was recently acknowledged by the barony when she received the Oaken Oar (Marinus service) award. Her greatest joy in the SCA is serving others.

Currently Angela is learning sewing techniques and patterns and is working towards her bachelor's degree at the University of Atlantia.

Angela's modern background and experiences include over 22 years in nursing (RN) for a local, major hospital system. She also enjoys the arts including painting, illumination, and calligraphy. Music and dance is where she finds her motivation, and she is strong in her moral character.

#### **As Coronets, the Baron and Baroness of Marinus**

Recently, we have discovered policies and traditions we believe have been a source of exclusion within the barony – elements of policy and politics that have served, and I believe unknowingly and innocently, more divisive than unifying.

We believe in a fully unifying and inclusive platform that is supportive and welcoming for all the

populace of the barony, and those of other areas seeking a homeland to build and live their dream. As it has been in our past, so shall it be in our future to seek and find those who have been forgotten and raise them up, to support those left behind, and to foster good neighbor mentality amongst all.

We have found a need for change and are working to enlighten those minds for the reason to change, and take the brave steps to make the change. We know this is not an easy task, though we are confident it is a necessary task and to work towards a better more unified Marinus. We have found that the political base is becoming a deep rooted "good ol' boy system," and we mean to change that by recognizing and supporting all people equally, eliminating favoritism and the political agendas benefitting a select few.

We have noticed a decline in numbers at meetings and at events. We have seen groups form away from the core of the barony, to be of Marinus but not WITH Marinus. We seek to change that. We will work to unify as many of those factions as possible to be back under and for the Marinus banner, thus to have pride and enthusiasm not only for Marinus, but through Marinus for Atlantia as well.

We have spearheaded cultivating interest in a resurgence of activity in Marinus, most notably in the thin-strip of the barony's western border with Tir-Y-Don. Within this region there are a few people who have found traveling the distance (and tolls) to activities and meetings to be difficult to continue in an ongoing weekly or even monthly basis. To meet this need I began meetings in the area as a satellite governing office whereby the news from the main business meeting was discussed and the members who are so remote might hear and discuss baronial events. Over time this group sought recognition, but not autonomy, within Marinus taking the name "Black Marsh Keep" to operate as a region and NOT as a household, sort of a town within a county relationship within the barony. Under my leadership, Black Marsh has blossomed and is rapidly coming to fruition as a secondary operations area for the Barony of Marinus. It is important to note that none of the populace within Black Marsh seeks to dissolve relations and seek full governance apart from Marinus authority. Black Marsh is Marinus and works towards the greatness of our Barony by the Sea.

It is with this approach that we intend to invite the splinter groups and households in Marinus to realign and acquiesce to Your Highnesses, and Your Majesties will. We know we can win their support and allegiance where other attempts in the past have failed.

Our plans for Marinus, should we be selected to represent Your Highnesses, Your Majesties, is simple. We will bring changes to the people with whom we will work to become more unifying,

fairer, and more equalizing for all the populace. We won't let anyone be forgotten, nor fall through the cracks. We will see and address each issue with empathy and sincere desire to solve any problem as favorably as possible.

We know our platform is bold, and that there will be factions resistant to changing, but we know that the old ways no longer work as we see our numbers falling away. Now is that time to change and gather them back. Now is the time to change from old ways to new, better policies. We will see this done.

Humbly, in our service to Atlantia and Marinus, we submit ourselves to Your decision,

/s/ Herr Gunther von Lindenwald June 15, 2015  
(Timothy D. Carter)

/s/ Angela of Marinus June 15, 2015  
(Angela Hayes)

## **Lord Jean Maurice le Marinier and Lady Catalina Riquel de Luna**

18 June 2015

Unto Their Royal Highnesses, Christoff and Adelhait, and unto the good populace of the Barony of Marinus do we, Lord Jean Maurice le Marinier and Lady Catalina Riquel de Luna send our best wishes and most heartfelt greetings.

We have been graciously nominated to serve as the next Baron and Baroness of Your fair barony. We have discussed this honor and commitment, and feel that we will be able to serve with great amounts of energy and enthusiasm. Thus it is our intent that we do offer ourselves for consideration to serve as Your next Baron and Baroness of Marinus.

Moving to Marinus in early 2006, we joined the barony and jumped in with both feet, starting with supporting our local demos. Catalina has served as Autocrat and Head Troll for numerous events. She has also been the Campmaster for many events that Marinus has attended and is the current Pennsic Campmaster. Catalina has held several offices in the barony to include Web Minister and currently serves as the Chatelaine. Jean Maurice has served as Marshal in Charge, Rapier Marshal in Charge and Grounds Steward for numerous events. He has held the offices of Knights Marshal and Deputy Seneschal and is currently serving as the Baronial Seneschal. They have both provided assistance with baronial fundraisers for the new baronial pavilion and the new baronial coronets.

We have discussed this commitment at length and feel we understand the duties and responsibilities of serving in this capacity, and one of the most important duties is to make sure that the populace is recognized for their hard work and dedication. Nothing pleases us more than seeing one of our fellow Marinusians recognized for their efforts. The Barony of Marinus is a great and wondrous place to be and we would very much like to represent that greatness to our friends in other branches as we attend and support them at their events. We also feel it extremely important to support the varied disciplines that Marinusians engage in. From weaving, woodworking and scribal work, to fighting on the heavy and rapier fields and on the archery range – we feel it very important to be supportive and encouraging to all in their endeavors. We would also continue the good works of Baron Aradd and Baroness Isabel in providing continued energy and enthusiasm throughout the populace and encouraging all to recruit others into this wonderful pastime we all share. For with more Marinusians comes the might of Marinus and with that, so increases the grandeur of Atlantia.

If so chosen by Your Highnesses, we propose to work diligently for the good of the wonderful people of the Barony of Marinus, and for the Crowns of the Kingdom of Atlantia. And if Your Highnesses feel that one of the other good candidates who have offered their service is better for Marinus, we will do our utmost to support them in their efforts as well.

We remain respectfully,  
Yours in Service

Lord Jean Maurice le Marinier
