## Officer Reports

### Baron and Baroness:

Greetings, Marinus

Vivats to our new Prince and Princess, Anton and Luned!

Due to mundane reasons we couldn't attend War of the Wings but heard that those in attendance had a great time. We also heard that fun awaited all that attended the Slover Library demo. Thanks go out from Us and Our Chatelaine to all who attended and supported the demo.

Holiday Faire is coming up later this month for those that are interested in a nice day of shopping. There's some fighting there and some archery too, but it seems that there's more emphasis on the shopping as it is a major part of the event (and usually warmer inside).

We wish that everyone has a good time giving thanks that the English colonies in the New World may make it through the winter thanks to the local native population. There's a lot of talk about the local population of turkeys and wild fowl. However, you can't convince me that a good ham isn't better.

Unevent is coming up in early December for the officers of Our barony. Please make sure that you can attend or someone can attend in your place (i.e. your deputy). Anyone that's interested can attend and sit in the respective officer meeting(s) as well. It's a great way to become familiar with issues that the Great Officers of State are concerned with.

This will be announced again, but We wanted to make sure that We mentioned that January 14th will be our annual Dessert Revel (instead of it being MOOT). It is called a "Dessert" revel but if you like, you can bring something that isn't necessarily a dessert. If you aren't inclined to cook, something from a grocery store is okay, or you could bring sodas. We would like to encourage garb at the revel, but We understand that sometimes it may not be possible and that's okay – bringing yourself is the most important thing!

### Chronicler:

Officer – please remember to email me your inputs for the agenda one week before MOOT to ensure the Seneschal can run a smooth meeting.

Populace – if you know of something or did something cool, please email me to have it added to the newsletter.

### Chatelaine:

**Herald:**

Welcome home Lady Antoinette.

**Exchequer:**

1. We currently enjoy a bank balance of \$ 8,787.46 which balanced with our latest bank statement which arrived today (Saturday, October 9th). (Signatures required...)
2. Marinus' 3rd Quarter Exchequer's report was filed on time and balanced with all our records. (Signatures required...)
3. The Marinus Financial Committee met and conducted a thorough Financial Policy Review. Several wording changes were discussed and are incorporated into a revised Financial Policy. Copies will be available at the meeting for the populace to review prior to voting on its acceptance. Upon being signed, I will make pdf copies for posting on the website and copies for the officers.
4. I have not yet gotten together with the storage unit manager to iron out our contract with them. [I am in receipt of a letter from the Airline Self-Storage facility informing us of a \$15.00 per month increase in our storage unit fee effective November 1st, 2019. This will bring our annual payment up to \$ 1,020.00 if we do not receive any discounts for paying annually. This increase will fund improvements in the units to include an electronic gate (no word if that means expanded hours of operation), unit repairs, better lighting, security cameras, paving, drainage, better parking and more of it. I will be talking with them to ascertain whether we will owe more for the remainder of this year (since we generally pay each June putting us 6 months out.)]

### **Web Minister:**

Baronial Calendar has been updated to December. (Please provide inputs if you feel its too cluttered with the additional events.)

Baronial Calendar has been re-worked to include event details in the info sections when you click on the calendar date. Specific additions will be added as needed but in limited capacity, as to avoid clutter. Moot Minutes archive is updated to the most recent. (October)

Fighter practice times have been temporarily black lined until further notice. Also all fighter practices have been removed from the Google calendar. Thank you for your time and patience. (For unofficial practices please view the unofficial page.)

Hall of Champions page is in construction. We would love for inputs on that front! We are currently looking into the best formatting with the technology available. We believe that having the Hall of Champions page (or HoC) will help celebrate our history as it should.

We are looking into inputs for the "Activities" page to update older material, and celebrate the fields that our Barony participates in with new content.

While we are working on some other projects we will be putting out a roadmap of future additions to the Baronial site. This will help ensure that effective, concise and efficient updates are provided.

I would like to thank my Deputies for their great work! Their inputs and style make our Baronial Web presence that much better.

### **Mistress of the List:**

We had a strong showing at Crown List. Delecta, Paganus and Magnifica Seraphina – great job!

# Did you know?!

Do you know of someone in the barony that is doing great things? Don't know what to do to recognize them, submit them for a baronial award at the link below. Our baronage can't know all the good things going on, it is up to the populace to keep them informed.

<http://www.baronyofmarinus.com/baronial-awards.php>

## Baronial Cool Corner

Welcome to the "Cool Corner" where we highlight the cool things that the populace of our barony does that may not be seen by all. This will include original works, letters, pictures, poems, recipes... you get the idea.

Johannes von Hammersbach hosted an all grain brew day on 10 November. He had a total of 5 participants. He also opened several bottles for tasting for new members of the brewers guild.

Lady Delecta and Lord Paganus sponsored a brewer's round table on 30 November. We had a total of 11 participants, 10 beers, 2 meads, 1 wine, 1 cyser and 2 cordials. Great turn out.
